GOOD SOAP FOR LESS THAN TWO CENTS A POUND

Make It At Home By This
Easy Process—Takes Less
Than 30 Minutes.

Nowadays, more and more women are doing as their mothers did and are making their own soap. If you have never tried it, you will be surprised to see how easy it is to make good soap, soft soap, hard soap or floating soap, just by using kitchen scraps and waste grease together with a can of Merry War Lye, the safe and sure soapmaker.

In the old days when soap was made by the boiling process it took nearly all day to make a kettle of soap. Now it is hardly any work at all—requires no boiling—takes less than 30 minutes. Saves you money and gives you all

the pure, clean soap you need for kitchen, laundry and all household purposes.

You will find simple directions for soapmaking on the label of every can of Merry War Lye—also many other recipes such as how to make lye hominy, how to soften water, how to make clothes washing easy, how to brighten cooking utensils, etc.

Merry War Powdered Lye is also a wonderful cleaner and purifier for use about the home, barn, chicken house and outhouses. Comes in a convenient can with revolving sifting top that cannot come off, cannot get lost, recloses tightly and preserves contents. It is economical to buy and easy to use.

Ask your dealer for Merry War Lye—be sure you get "Merry War"—the one that has made good for 33 years.

Waiting doesn't pay. If you neglect kidney backache, urinary troubles often follow. Doan's Kidney Pills are for kidney backache and for other kidney ills. Louisa citizens endorse them. Ask your neighbor!

Mrs. A. Waller, Railroad St., Louisa, says: "I have a good opinion of Doan's Kidney Pills ever since they cured me of an attack of kidney trouble. I had been feeling weak and run down for some time before the attack came on. My eyes began to get puffy underneath and I became quite dizzy, especially when stooping. I could see black specks before my eyes and my back kept me in misery, as it ached continually. I saw Doan's Kidney Pills advertised, so I sent to the Louisa Drug Store Co. and got two boxes. Doan's cured me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Waller had. Foster-Milburn Co., Buffalo, N. Y.

PAIGE

The Most Beautiful Car in America

13 Models Backed by One Principle

The Paige and Jewett group of motor cars consists of thirteen distinct models—all Sixes—and ranging in price from \$995 to \$3350.

In this great field of choice there are standard open and closed models and very distinctive "specials" in a variety of colors.

So, no matter what your purse or fancy may dictate, Paige is prepared to satisfy it with the right car at the right price. Such is the advantage of a concentrated manufacturing policy.

But whether you buy a Jewett or a Paige—standard or special—it must be a Six. For that is the one principle of engineering recognized in this factory.

As to the wisdom of this policy, there can be no question among enlightened people. Paige builds Sixes exclusively because they are more economical, more comfortable, more dependable and most efficient. Sixes do beat fours.

We invite you to inspect this great line of motor cars.

The thirteen Paige-Jewett Passenger cars follow:

JEWETT—3-Passenger Touring, \$995; 3-Passenger Roadster, \$995; 5-Passenger Special, \$1095; 4-Passenger Coupe, \$1445; 5-Passenger Sedan, \$1465. A TIGHT MERCHANT.

A man who had just started a paper in a strange town was interrogating one of his early advertisers on the response to be expected from the citizens. "Now, there's Deacon Brown," he said. "He has the reputation of selling lots of hardware. Would he be likely to spend much money in advertising?" "Waal," drawled the native, reflectively, "I wouldn't exactly say Life.

that he'd go to hell for a nickel, but he'd fish around for one till he fell in." —Hinsdale, (Ill.) Citizen.

Self-Evident.

North—"Dobbs is celebrating the arrival of a new baby at his house." West—"That so? How many children has he?" "Didn't I say he is celebrating?"
